

# NON-MEMBER PRICING

## CLAY TARGET SHOOTING

### SPORTING CLAYS:

We have 3 fully automated 12 station sporting clays courses. The Red course is our easiest course. It's great for people just getting introduced into the sport. Our white course is our moderate course. Here you will see a variety of targets. The white course a great to advance your skills. Our blue course is setup as a true tournament style course. Even the best shooters will have their skills challenged.

### WOBBLE:

The wobble house has 4 machines that throw easier outgoing targets from under your feet. The wobble is a good place to learn to shoot or get warmed up.

### 5-STAND:

Consists of 5 different shooting positions and 8 clay pigeon machines. The 5-stand has a wide variety of targets similar to what you would see on sporting clays courses.

### SKEET:

Skeet is a game in which 25 targets are shot from various positions. It is a great place to practice crossing targets and help understand the concept of lead.
